

Cadenza Strings - Wedding Music Choices

Music is always played for the following:

Prelude

Processional*

Bridal party: _____
(if different from bride)

Bride: _____

Signing of the register: _____

Recessional: _____

Postlude

*Although we can play separate pieces for the bridal party and bride, it is often just as effective to have one piece for the both. We would be happy to discuss your options with you.

There are often other times during a ceremony when music is wanted, such as the seating of the parents, communion, lighting of the unity candle, or between readings. Please list them, if applicable.

Time in ceremony	Piece

Special requests/notes:
